

# How to Register New Courses on the AgriConnect Platform

**Step 1:** Access the AgriConnect Student Portal by using the URL (<https://portal.agriconnectghana.com/student>)

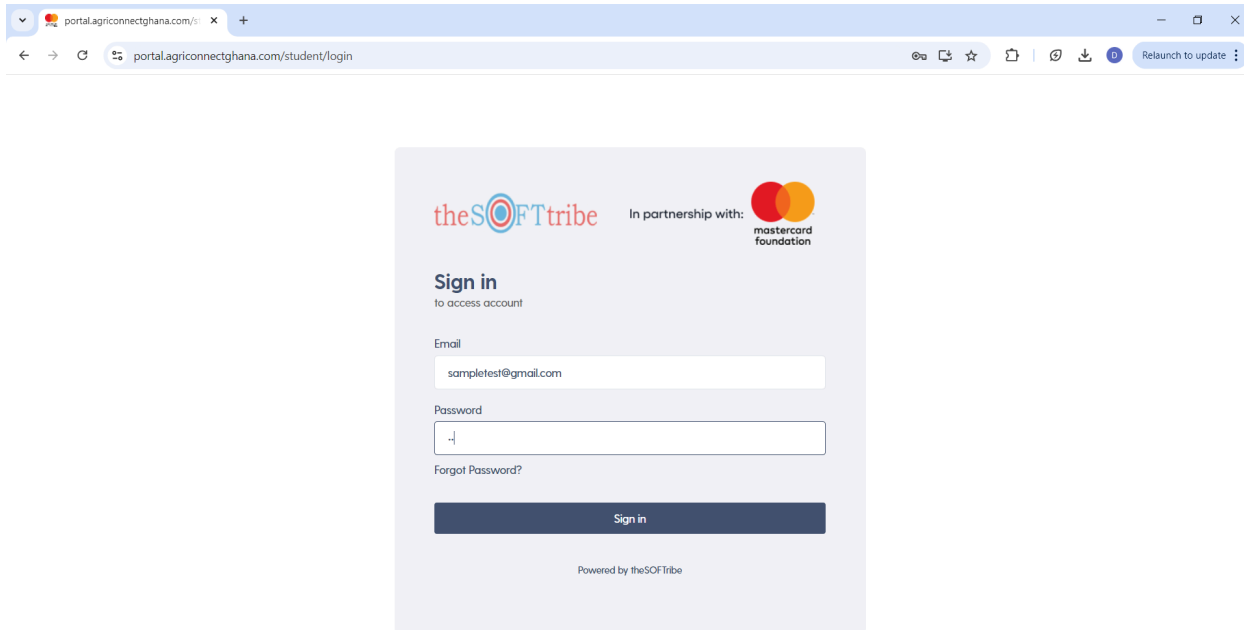

**Step 2:** Click/Tap on the login button (white button).

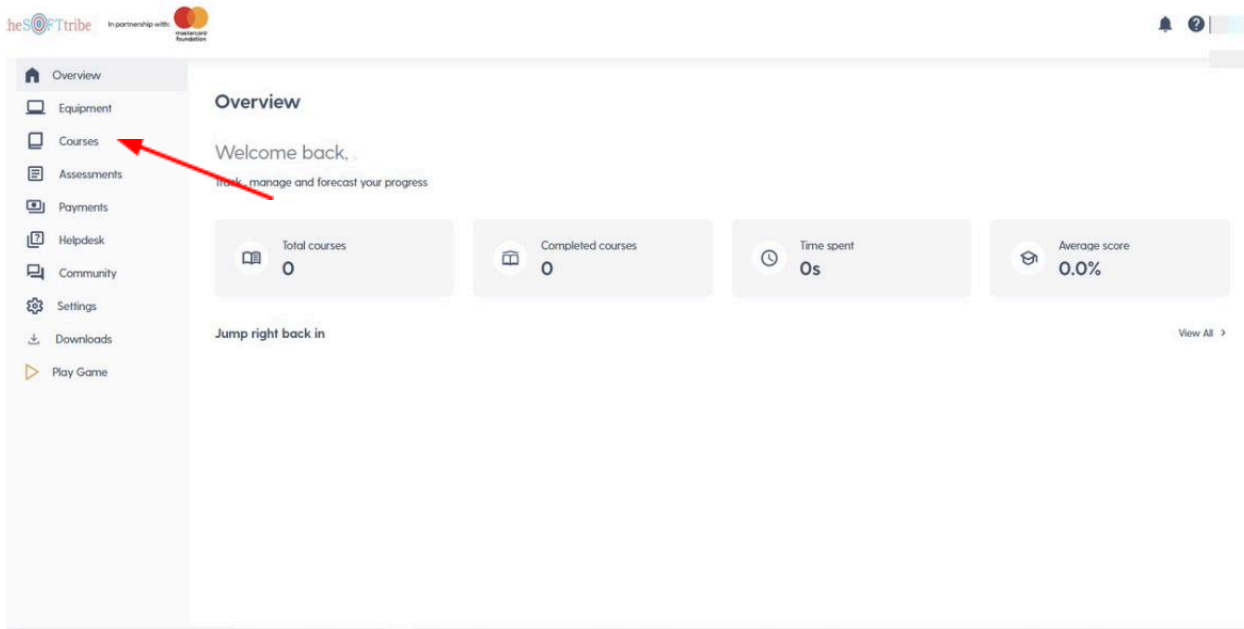

The Agriconnect Project is pleased that you are participating in the programme and we look forward to ensuring you reap all the benefits it has to offer. Your participation in AgriConnect will play a key role in making you more competitive and help to prepare you for the world of work or entrepreneurship. Remember, take good care of your devices as for most students globally, laptops and computer equipment are the first assets that they own and a key to supporting their futures. We urge you to spend some time reviewing the AgriConnect guidelines that you signed on receipt of your device to remind you of your commitments, including taking/reading the 3 supplemental courses and using the computers for the purpose they are intended. Take note that you are not allowed to sell or donate the device that you received or use it for any illicit activities. Contact the Helpline on 0535192080 and 0535192071 if you are having any technical issues or if you misplace your device or if it has been stolen as all devices are built with tools to track their location. We will continue to encourage you to capitalize on the benefits that AgriConnect brings and use this opportunity to enhance your current studies and further your personal goals and aspirations.

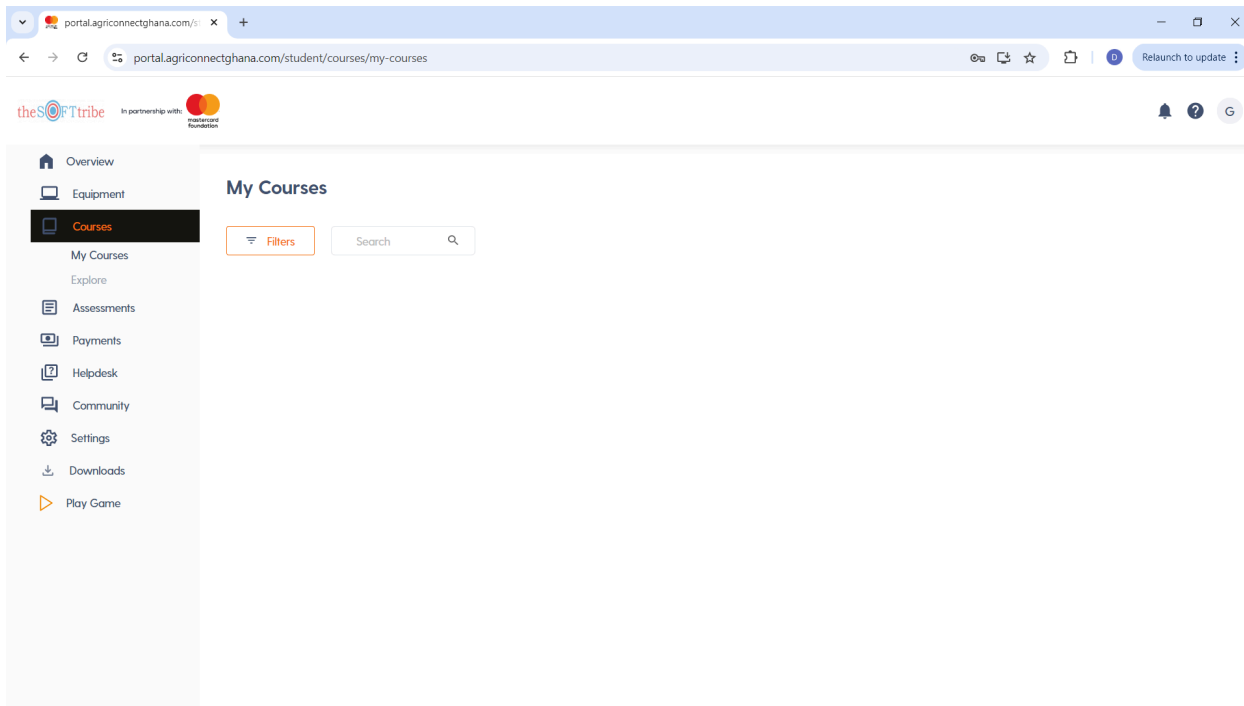

**Step 3:** You will be directed to a page that requires you to put in your agriconnect account details to login to your account.(the email address you received the invitation in and your password).

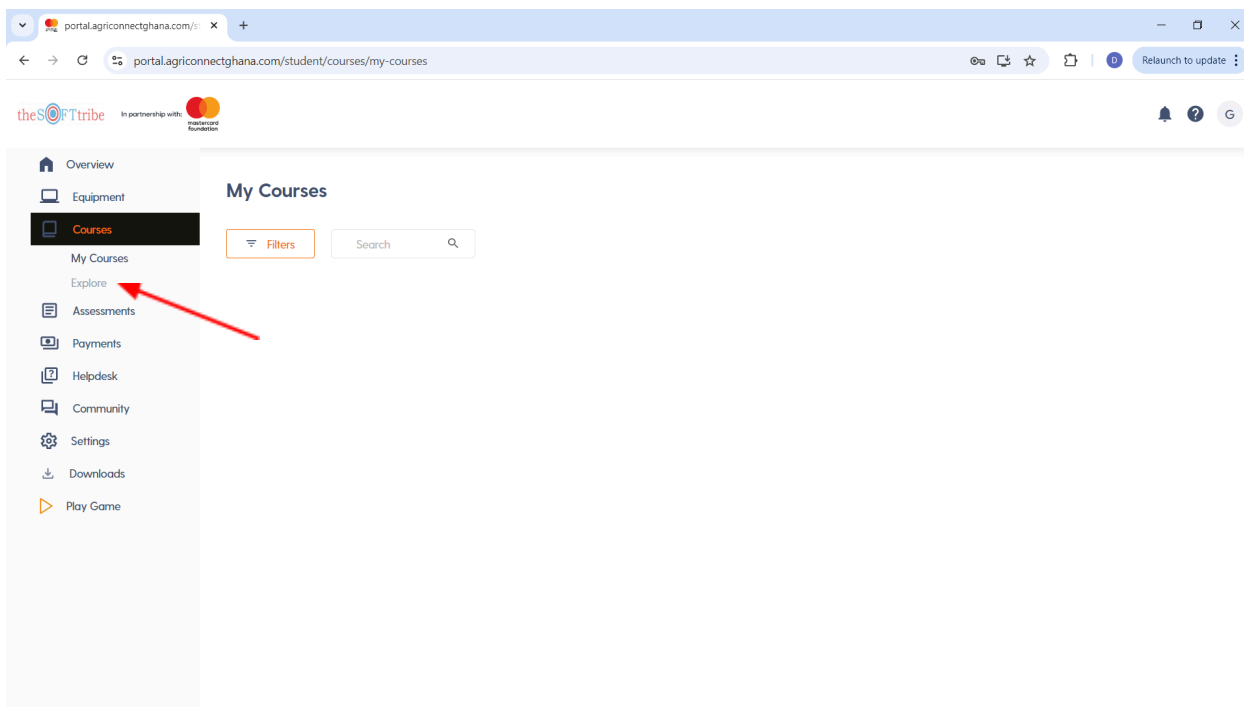

**Step 4:** After logging in, there is a menu located on the left-side of your screen. On that menu click/tap on courses. This section contains all course content.

**Step 5:** You will be redirected to the "My Courses" page, where you'll find all the courses you've registered for.

**Step 6:** Below the "My Courses" tab, click/tap on "Explore" to discover and register for new courses.

**Step 7:** On the "Explore" page, browse available courses and click/tap "Register Course" to enroll in your desired course. Once registered, you'll find the course in the "My Courses" tab.

The screenshot displays the 'Explore Courses' interface. On the left is a navigation sidebar with options: Overview, Equipment, Courses (selected), My Courses, Explore, Assessments, Payments, Helpdesk, Community, Settings, Downloads, and Play Game. The main content area is titled 'Explore Courses' and includes a search bar and a 'Filters' button. Three course cards are shown:

- AgriBusiness and Entrepreneurship** (AgriConnect AB 101): Field of study: Business Management and Economics. Duration: 42 minutes 53 seconds. Status: REQUIRED. Register course button.
- DIGITAL LITERACY** (AgriConnect DL 122): Field of study: Digital Literacy. Duration: 43 hours 50 minutes 7 seconds. Status: NOT REQUIRED. Register course button.
- DIGITAL LITERACY** (AgriConnect DL 121): Field of study: Digital Literacy. Duration: 4 hours 43 minutes. Status: REQUIRED. Register course button.

A red arrow points to the 'Register course' button of the first course card. Below the course cards are three small images: a person with a smartphone, a cow, and a pineapple.
